

國立清華大學電子工程研究所
Institute of Electronics Engineering
National Tsing Hua University

專題演講
SEMINAR

Instructor : Prof. Chen, Tse-Ming (陳則銘 教授)

Title : Electrical Manipulation of Coherent Spin Dynamics

Date : Oct/06/2017 14:20 P.M.

Location : Delta R215

Host : 吳玉書 教授

Education :

- 2009 PhD in Physics, University of Cambridge
- 2004 MSc in Physics, National Taiwan University
- 1999 BS in Physics, National Taiwan University

Employment :

- (2016-) Professor, Department of Physics, National Cheng Kung University
- (2013-2016) Associate Professor, Department of Physics, National Cheng Kung University
- (2010-2013) Assistant Professor, Department of Physics, National Cheng Kung University
- (2009-2010) Postdoctoral Researcher, Cavendish Laboratory, University of Cambridge
