

NSTDC 「Student Ionizing Radiation Protection Training」 Notice

Subject : Please instruct faculty, researchers, and students under your unit who are required to attend radiation protection training to register for the 2nd “Student Ionizing Radiation Protection Training” of 2025, organized by NSTDC. Details are as follows.

Detail : 1、In accordance with Article 3 of “Regulations on the Management of Operators of Radioactive Materials or Devices Capable of Generating Ionizing Radiation”, for teaching purposes, before operating radioactive materials or devices capable of generating ionizing radiation, personnel must complete radiation protection training or courses. The minimum training duration is 3 hours at least.

2、Schedule and location of this training:

Date & Time: Friday, October 17, 2025, from 1:00 PM to 5:00 PM

Venue: Lecture Hall, 1st Floor, Department of Biomedical Engineering and Environmental Sciences (BMES120)

3、Registration method :

(1) Fill out the online form at the link below. After submitting, a copy will be automatically sent to your email. This confirms successful registration.

(2) Registration **period:** From now until October 9, 2025

Registration link: <https://forms.gle/UkUAtPnNvmUgTuRg6>

(Recommended to open with Chrome or scan the QR code below)

(3) For inquiries, please contact Ms. Kuei-Hsiang Lin, email: khlin@mx.nthu.edu.tw, Tel:ext. 35484.

4、Students only need to attend this training once during their enrollment or research period. Those who have previously attended and obtained a certificate do not need to participate again.

5、Participants who pass the training and need to apply for a personal dosimeter badge should contact Ms. Ko at the Personnel Dosimetry Laboratory, Tel: ext. 35781 or 42885.
